

Web-COSI

Web COmmunities for Statistics for Social Innovation

INCREASING TRUST IN COLLECTIVELY
GENERATED STATISTICS

STATISTICS FOR EVERYONE

www.webcosi.eu

[2014-2015]

improve citizens' engagement with statistics "beyond GDP"

mapping, distilling the best practices of existing digital initiatives for communities' involvement

- set up of an interactive crowd-sourced map

create a critical mass through

- blogs, on line discussions, webinars, news letters,..
- target citizens campaigns, data visualisation competitions,..
- European Wikiprogress University Programme, 'youth initiatives', ..
- 5 workshops, 4 focus groups and a final conference

calling the communities to access statistics empowering the collection of civil society grass root locally generated data

- development of a Wiki of progress statistics
